Dear Provider,

Important: Please Review Both Attached Provider Bulletins

The attached Provider Bulletins contain important updates that may impact your practice, with changes effective November 1, 2026.

Physician Bulletin – Prior Authorization Requirement for Select Drugs: Provides information on new prior authorization requirements for select drugs billed under the medical benefit.

Provider Bulletin – Maryland Viscosupplementation Coverage Update: Provides information on changes to preferred viscosupplementation products under the Maryland medical benefit.

Please review both bulletins in their entirety to ensure you are aware of all applicable updates and requirements.

Thank you for your attention to these important updates.

Thank you,
MedStar Family Choice
